By Taxi

The most convenient way of getting to NTU from Changi Airport is by taxi. Taxis are available at the taxi stands at the Arrival Halls.

Have the taxi driver take East Coast Parkway (ECP), then Pan Island Expressway (PIE) going towards Tuas, and exit at Pioneer Road North.

At the main gate of the University, turn right into Nanyang Crescent. Not far away, you will be able to see a blue signage “Nanyang Executive Centre” on your left. Turn left, drive along and you will notice the prominent building.

The ride will take around 30 to 40 minutes in smooth traffic. Taxis from the airport levy a S$3 surcharge on top of the metered fare. Refer to the page below for a directional map.

Taxi in Singapore accepts both SGD cash and credit cards. However, cash payment is strongly recommended as your bank may charge additional charges for overseas transaction. Please note that VISA cards are not accepted in Singapore taxi.

Money changer is available 24/7 at the arrival hall. You may convert some money into SGD before boarding the taxi.

Depending on the time you board the taxi, the fees range from SGD $40 - $70
